SOFIHDES
SOCIETE FINANCIERE HAITIENNE DE DEVELOPPEMENT S.A.

Le Partenaire des Entreprises !

We are...

a private development finance corporation, founded in March 1983. Our share capital, which amounts to about 1.5 million dollars, consists of 15,000 shares and is owned by financial institutions, corporations, pension funds and individuals. We finance our operations with our own funds, loans obtained from local and foreign financial institutions and also by issuing bonds. We may also receive grants.

Our Vision ...

is to be an inescapable reference for entrepreneurs and a partner with high added value for enterprises at all stages of their evolution...

Our mission...

Our mission is to contribute to Haiti's economic development by through profitable investment, in both money and knowledge, in viable enterprises with high growth potential

Our Values:

- Personal and professional integrity
- Excellence in service to our customers
- Access to everyone on the basis of economic merit
- Entrepreneurship
- Honesty
- Respect for others
- Tolerance
- Effort and loyalty recognition

Our Products :

- Short, medium and long term lending, with particular emphasis on financial assistance to small and medium enterprises (CREDIT DEPARTMENT)
- Business development services (BDS) in strategic and operational areas (SOFICONSEILS)
- Training (SOFITRAINING)
- Fund management

Our team :

- A competent, multidisciplinary team, able to diagnose the main business functions and assist in the elaboration and implementation of commercial projects
- A dynamic network of national and foreign partners

Our approach:

- A professional and transparent approach
- Good understanding of the needs of our customers
- A reliable system of internal control to ensure delivery of a high quality service by our team
- The development of strong partnerships for the betterment of our services
